TRAVEL WITH THE FAMILY in 2024

Peli at the Rock

Dear Travellers of 2023

For those who journeyed with us in 2023, we want to pass on a heartfelt thank you. For trusting us with your holiday - thank you; for helping create new and exciting memories with us - thank you; and for making our tours special - thank you. Our tours are so much more memorable when we have such wonderful and truly amazing travellers on board! You share your stories, you turn strangers into friends and we are grateful.

You may have seen that we recently took out the **BRONZE AWARD at the Victorian Tourism Awards**—an honour we were extremely proud to have earned— if it wasn't for you all, there would have been no tours, and no Award, so feel free to bask in this moment with us.

If you are just now finding us here at Tour Local, and did not get the chance to travel with us in 2023, then we welcome you now, and look forward to welcoming you on board in the coming year(s).

As a family owned and operated business, we recognise and honour that without you, we are nothing.

GROUP TOURS

Remember, if you've got your own Group/Club, we can organise any of these tours (or customise one) just for your group.

Speak to us today about what we can do for you!

WHAT SETS US APART

Our Tour Local Guarantee

HOME START TOURING

Start your holiday stress-free and relaxed, as we pick you up (and return you) right from your front door - a great way to start your next holiday^! Naturally, we cannot offer this service across the whole country—but we do our best to cover as much of Victoria as we can. We offer this service to Melbourne and Metro Melbourne; Geelong; South East Suburbs; Mornington Peninsula; West & South Gippsland; Phillip Island. Generally our home pickups start between 7am and 9am the morning of the tour—we will contact you closer to departure to confirm your time. Extra charges may be incurred in some areas - speak to us regarding these.

Outside of our Pickup Area

If you do not fall within the above locations, please do not worry—you are still able to join our tours.

Your options are...

Melbourne Hotel Pickup:

great for those coming from interstate. Fly in—we recommend the day before your tour starts and then stay somewhere overnight—maybe CBD or South East Melbourne, and we will pick you up from there on the morning of the tour.

Depot Pickup:

you are welcome to drive your car to our depot in Pakenham, where you are able to leave it, securely parked, for the duration of the tour.

Tour Local

BnB Stay: we

operate our own modest BnB that you can stay in the night before tour, taking the stress out of having to rush anywhere in the morning. This must be pre-booked. Cost is \$75pp including continental breakfast—again you can bring your own vehicle or we can pick you up from Airport or Train

Direct Flight:

many of our tours START and/or FINISH with a flight. If this is the case, we are able to organise a flight from your location to where our tour is. There may also be additional costs involved connecting from airport to the tour.

We encourage you to reach out to us, as we are happy to talk through the best options for you to join our tours and to assist where we can.

*There may be times when we arrange for a 3rd party to assist with our pickups

^ Geelong Pickups will involve transfers by a 3rd Party operator

SMALL-GROUP TOURING

Our Small Group Touring guarantee means that you will feel at ease, knowing that you are going to be sharing your journey with an intimate group of like minded people, who you'll actually get the chance to know over the course of your holiday. When you travel with us, you truly do travel as a name, not a number—we find it is

this type of travel that allows our individuals on our tours to get to know each other, and share in their lasting memories, creating new friendships as they go. This is why, with groups averaging between 15 and 25 travellers, you will feel at ease as you travel. This is one of the reasons why our travellers keep coming back, time and time again.

Our Promise to you—we never fill our coaches to capacity!

WHAT TO EXPECT ON TOUR

Get the most out of your Journey

Norfolk Island—Green Paradise

COMMITMENT TO SUSTAINABILITY

From ensuring that we support local, homegrown businesses as we tour, to fulfilling our commitment to supporting & nurturing our environment as we go—you can rest assured that when you travel with us, you are travelling with a business that holds sustainability in tourism as a priority.

All Inclusive Touring

We don't like you having any unwelcome surprises so that's why all our itineraries are predominantly all inclusive; packed full of plenty of great food, activities, and accommodation. From time to time we allow you the opportunity to get your own lunch, and will offer some optional extras—but you will always be well fed, and wonderfully engaged.

Dinner at the Field of Lights, Uluru

Airfares are Included

We include all listed Airfares on our tours. We travel economy class and usually with Qantas or Virgin, opting for other airlines only for very good reasons

LIKE MINDED TRAVELLERS

We always say, the best thing about our tours are the people on them—and we stand by this. Its amazing to see strangers on Day 1, becoming friends by Day 3, and Best Friends by Tours End. Friendship, fellowship and loads of fun is alive and well on our tours.

Having fun at the Breakaways

Lake Tyrell, Sea Lake

GENUINE CARE & COMMITMENT

We are here for you—it's as simple as that. Our Tour Leaders are real people, with a passion for what they do, and zest for ensuring that you are getting the most out of your holiday.

We acknowledge those who have come before us; who have loved this beautiful land and lived here for over 40,000 years. We pay our respects to them and to their Elders past and present.

Wherever we go, and whatever we do, we do so in a respectful way, treasuring all that comes together to make Australia the endearing country that it is and that we have the privilege to tour across.

OUR TRAVELLING STYLE

Travel in Comfort, Style, and Safety

Luxury Coach Touring with a Difference

Here at Tour Local, we believe that the journey should be half the fun—and let's face it you have chosen to traverse this great land, rather than just fly from place to place. This is why we take great pride in the experience we offer on board - whether it is the breathtaking sights from the large coach windows; to enthralling you with some captivating commentary; and giving you a chance to mix with your fellow travellers. You'll definitely come to love the journey like we do.

Class & Style Throughout

Comfort and Leg Room

On Board Toilet

Complete with all the Trimmings

Travel as a Name, not a Number

On our Journeys we DO NOT FILL our coaches - and we do this deliberately. Meaning every time one of our tours rolls out, it is doing so in a quality coach with spare seats guaranteed. This allows you to spread out; to get to know your fellow travellers; and to enhance that relaxed feeling as you journey with us!

Your Tour Leader

The person there with you every step of the way, ensuring your tour is a seamless, as enjoyable, and as memorable as it can be. We aren't afraid to say it...ours are the best on road!

Midi Coaches

On some of our tours, we are able to venture out in even smaller groups than normal—as such, we will sometimes employ the use of a luxury midi coach on these tours.

The Creature Comforts

- Interstate Extended Tours

- Ease of Access Stairs—with hand rails and lowering.
- Reclining leather chairs - with arm rest
- Individual Storage Pockets and Tray Table
- USB Charging Port and WiFi Connectivity
- On-Board TV's with Drivers Camera link
- On Board Fridge and Plenty of Storage Space
- On Board Toilet for your convenience

*Coaches are subject to change without notice due to unforeseen circumstance outside of our control. At all times we will endeavour to make any replacement vehicle as close to the original vehicle as possible—with passenger comfort and safety top of mind.

WHO ARE OUR TOURS FOR ...you!

- **Single Traveller; Group of Friends; Loving Couples**
Whatever your travelling situation may be, you will fit in. We have seen it all, and the great thing about our tours is that we may be individuals, but we travel as one.
- **Just Turned 50 or Further Beyond**
Age is just a number, and frankly you're only as young as you feel. But we understand that we don't all feel 21 anymore, and we ensure our tours are consciously designed to appeal to a more mature age group.
- **Morning Walkers and Weary Risers**
We understand there are those who like a bit more adventure than others, and we definitely cater for this on our tours. So if you want to take things a bit slower, or at a bit of a quicker pace—talk to us about the tour that's right for you, and talk to us on tour if we can tailor it “on the run”
- **Those Looking to Enjoy Themselves**
At the end of the day, we all want to enjoy ourselves whilst travelling. This may come through in many different ways, but this is a guarantee we make to you—you will have fun!

MND & BEYOND—OUR TOURING CONNECTION

Touring has long been in our blood here at Tour Local. Joanne, and brother Gavin - having both had experience in touring in both New Zealand and Australia - so in 2008 their wheels began to roll, and Tour Local started to grow. In 2016, Ray (Joanne's son) made the switch to the “family business”, from his job with Vic Police and has not looked back since.

It was now a truly family affair, with Tour Local spanning multiple generations, a family who's passion for touring is only surpassed by their desire to bring joy and lasting memories to each person on board.

Sadly, in August of 2020, we lost our brother, our uncle, and our driver guru, to “the beast” that is MND.

Although Gavy may be gone, we know part of him lives on in us in what we do – and we can feel his presence each time we drive down the road, ready to embark on another great adventure – something he loved so much.

We continue to be a family run business to this day, and this family feel is felt on each and every one of our tours.

As our way of assisting those who are going through what our family went through (twice), we do all we can to raise money for MND Australia - with every donation made going directly to helping the families of those suffering, and helping to find a cure.

Gavin, Joanne and Ray

We strongly recommend you take out travel insurance **at the time of booking**.
